- OTP Verification :
- Licensing of app is device specific.
- By sending OTP on your registered Mobile no and feeding it on the device in which you are installing app, relation between Mobile no and Mobile Handset is fixed. Change of handset is not allowed. You are going to get the user license for specific handset only. So be careful to install on the app on proper device. It is not transferable from device to device.
- If you change the device then again OTP will be send to verify the change in handset.

The screenshot shows the 'App Registration' screen of the 'True Voter' app. At the top, there's a status bar with various icons and the time '07:34'. Below it, a blue header bar contains the text 'App Registration'. The main content area has a light gray background. A blue button labeled 'OTP VERIFICATION' is centered. Below it, the text 'Enter OTP' is followed by a text input field containing 'pTER'. A blue button labeled 'VERIFY OTP' is positioned below the input field. Further down, the text 'RESEND OTP' is displayed. Below this, a paragraph of text explains the OTP and login password process, mentioning a registered mobile number (9420439513) and a superior officer (9011177744). Another paragraph instructs the user to call and request an officer to install the app and add them as a junior. A final paragraph states that the user will follow the same process for adding junior officers or working staff.

True Voter version 1.76

- **Forget Password :**
- If you forget password, you can recall on your registered mobile no.
- As a voter your user name is alphanumeric, each user name is unique, it won't get repeated. More than one user name may be verified from same mobile no.
- Officer and Leader registration depends on their mobile no and handset IMEI no, so one officer /leader is related to one mobile no only. They are not supposed to login various devices.
- Click on Voter or Officer/Leader radio button to get the password of that role. And continue further pressing "Submit" button.

True Voter version 1.76

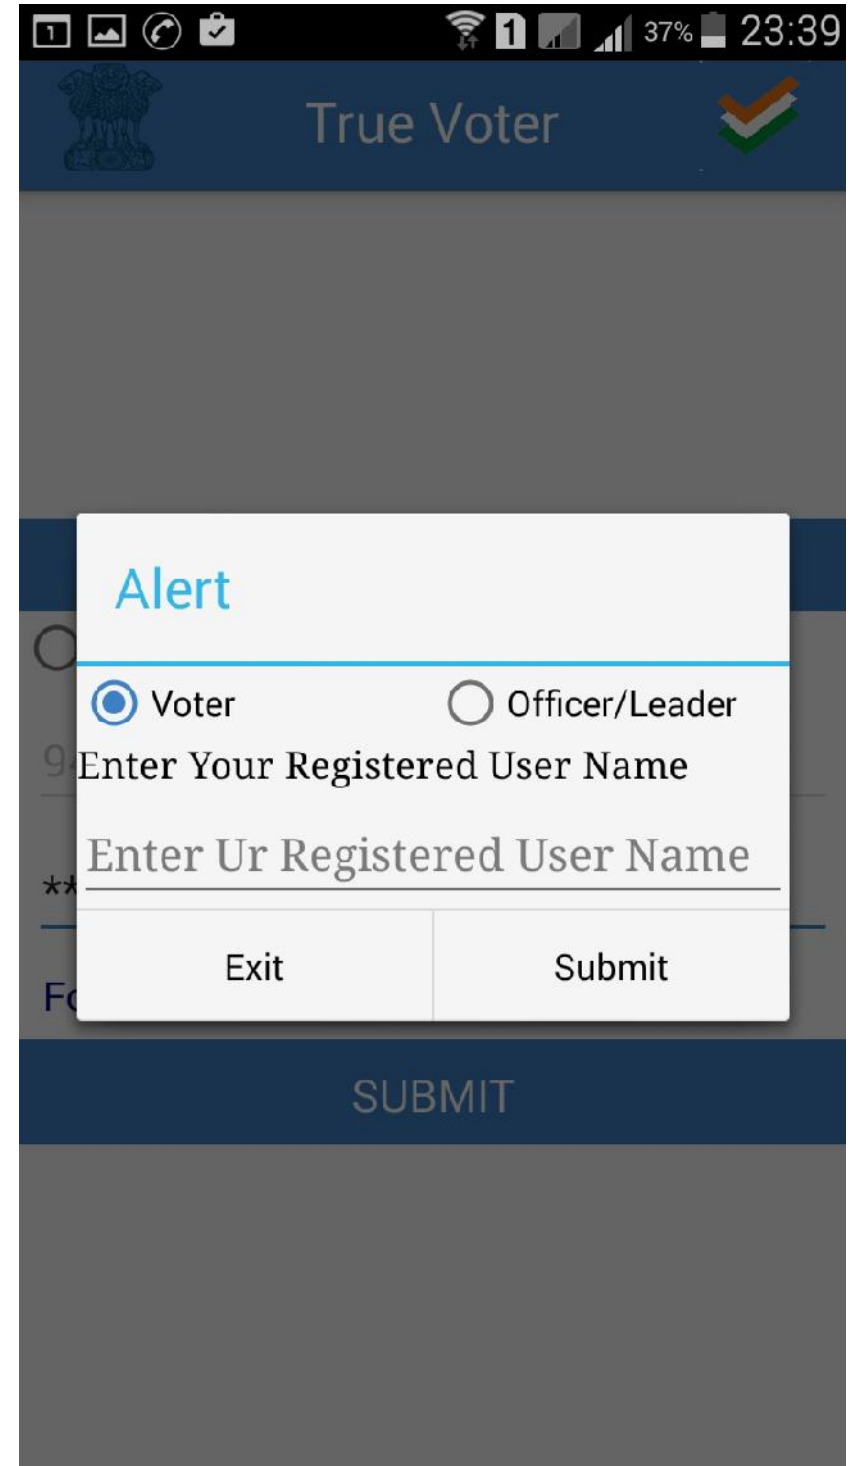

To Receive Password again :

- To receive forgotten password in Officer/Leader role provide your registered 10 digit mobile no and press “Submit” to go ahead.
- In Voter role you will have to provide user name and not a mobile no.
-

The screenshot shows the True Voter app interface. At the top, there is a status bar with icons for notifications, camera, location, and battery (37%), along with the time 23:39. Below the status bar is a dark blue header with the True Voter logo and a checkmark icon. The main content area is grey. A white alert dialog box is centered on the screen. The dialog has a title 'Alert' in blue. It contains two radio buttons: 'Voter' (unselected) and 'Officer/Leader' (selected). Below the radio buttons, there is a text input field with the placeholder text 'Enter Your Registered Mobile Number'. The input field contains the text 'Enter Ur Registered Mobile Num'. At the bottom of the dialog, there are two buttons: 'Exit' and 'Submit'. Below the dialog, there is a dark blue bar with the word 'SUBMIT' in white capital letters.

True Voter version 1.76

- If you have forgotten password of your user name in voter role, use this option.
- You will receive its password on your registered mobile no. it may be different than the handset on which you are using True Voter App.
-

True Voter version 1.76

- If you register freshly True Voter app on your mobile then after registration you come back to main menu.
- Click on Login icon to login.
- If you have registered as a Officer or Candidate/ Representative then automatically your mobile no is locked as your user name, you have just to type password to go ahead, press “Submit” to continue. Net connection is must to login.
- Here sample is of Officer registration, and screen of Officer login is shown.
- It will take around 30 seconds to login. Notification about it will be displayed after pressing “Submit” button.
